COMMERCIAL OFFER

Ukrainian manufacturer and exporter
«TRADE HOUSE «LATYMER» offers
high-quality fiberglass mesh (E-glass)
www.latymer.ua

WHY CHOOSE US?

Latymer is one of the largest manufacturers of construction glass fibre mesh in Ukraine. The production capacity of our enterprise is up to 12 mln m² of mesh per year.

“Trade House “LATYMER” Limited Company has European Technical Assessment (ETA) and Certificate of conformity of the factory production control, as well as the right to label its products with CE-marking.

The Quality Management System of Latymer is certified and meets the requirements of ISO 9001: 2015.

We guarantee stable quality of our products. The European primary raw materials are used in the production: the Belarusian E-glass yarn, the German coating dispersion.

The enterprise produces its own product series and also develops and creates an exclusive product under the brand of the customer (Private Label).

We build long-term partnerships, we are distinguished by flexibility and individual work with each client.
